We're here to praise, we're here to praise our God and King  
We'll sing forever, forever and ever will we sing  
Every day, every day we'll bless your name  
Because you are great, because you are greatly to be praised

## Chorus

This generation of your saints  
Will tell the story of your fame  
We're gathered under your great name  
To give thanks! To sing praise!  
This generation of your saints  
Singing aloud with all you've made  
We're gathered under your great name  
To give thanks! To sing praise!
